We are Tharin and Emanuela, an Italian-Sri Lankan couple who love meeting **new people**, **sharing** experiences, enjoying **good food**, and celebrating a **simple life**. Our hotel, which opened in 2019, offers **8 cozy rooms**, some of which are equipped with air conditioning. Each room features a **queen or king-size** bed, a private bathroom with hot water, and all the essentials for a **comfortable** stay. On the fourth floor, you'll find a beautiful **terrace with an ocean view**, where Emanuela leads **morning meditation sessions** to start the day in **peace** and **connection**.

We believe that each of us can **make a difference** in caring for Mother Earth. That's why we minimize plastic use and rely on solar panels for both hot water and electricity, making the most of one of Sri Lanka's greatest gifts — the sun. **Follow us on Instagram.**

We support some local social projects:

YOUNG MOTHER'S HOPE - run by a beautiful German lady Nora. The goal of the project is to support pregnant women at a very early age and support them on their way to an independent life.

THE YARD SKATE PARK: a nonprofit community project benefiting children and the local surf and skate scene in Polhena and Madiha. Open daily, Free entrance
